## Web Developer | Ai | Te

Passionate 3rd-year ENTC student with a deep enthusiasm for coding and development. Skilled in web development, Python, and C++, with a focus on full-stack technologies. Committed to continuous learning and leveraging technology to create innovative solutions.

### PROFESSIONAL EXPERIENCE

#### Web development Intern, TechMahindra

TechMahindra, Hinjewadi, Pune

Feb - April 2024

- I had the opportunity to apply my skills in both frontend and backend development. I contributed to a project by developing the frontend using my web development expertise, while also utilizing my backend skills with MongoDB to enhance database functionalities. This experience allowed me to collaborate effectively with a team and apply my knowledge in a real-world setting."

#### Media Head, AISSMS IOIT

Aissms Ioit, Pune

Alacrity Fest

- As Media Head at my college, I produced cinematic videos and managed social media for college events and festivals. I created engaging content that highlighted our community and effectively promoted our college fest, showcasing my creativity and communication skills.

### PROJECTS

#### Personal portfolio:

- Designed and developed a personal portfolio using HTML, CSS, and JavaScript.
- Implemented responsive design to ensure optimal viewing across various devices.
